一、完整原文（证据句红色加粗 + Q号标注）+ 段落翻译 + 出题人底层逻辑

Paragraph A

Street soccer, as its name implies, is an informal variation of the sport, often played on the street, particularly in urban areas. There are many reasons for the widespread popularity of street-soccer. Unlike youth soccer, its more formally organized counterpart, **no large space is needed, and goal posts, corner markers, and marked lines, associated with the formal game, are typically absent, as are game officials or referees** (Q20). Another attraction of street soccer is that it is played frequently and competitively, but **does not necessarily require standard 11-a-side teams or fixed playing positions** (Q21). Unlike in youth soccer, inexperienced street-soccer players rarely learn from repetitive technical and tactical drills. Instead, they learn from their poor performance in competition, unconscious of the skills they are nonetheless developing, and without older adults or coaches present. Players learn without effort through playing the game, and soon attain an almost natural feeling for the sport.

段落翻译

街头足球（street

soccer），顾名思义，是足球运动的非正式形式，常在街头进行，尤其在城市地区。街头足球广受欢迎的原因有很多：与组织更正式的青少年足球不同，街头足球**无需大场地，正式比赛所需的球门柱、角旗和标线通常都没有，也没有裁判或赛事官员**。街头足球的另一吸引力在于，它虽频繁竞技，但**不一定需要标准的11人制球队或固定站位**。与青少年足球不同，缺乏经验的街头足球玩家很少通过重复的技术和战术训练学习，而是从比赛中的失误中学习——他们并未意识到自己在不知不觉中提升了技能，且过程中没有成年人或教练指导。玩家通过踢球自然习得技巧，很快就能对这项运动产生近乎本能的掌控感。

出题人底层逻辑

1. 多考点集中段（Q20、Q21，多选题）：

- Q20：通过 “no large space, no goal posts/markers” 体现 “无需复杂设施”，对应选项C；
- Q21：通过 “does not require standard 11-a-side teams” 体现 “球队人数灵活”，对应选项E；

2. 以 “街头足球定义→流行原因→学习方式” 展开，用 “unlike youth soccer” 强化对比，出题人侧重 “街头足球的 ‘非正式’ 特征（设施简单、人数灵活）”，为多选题提供直接依据；

3. 用 “rarely learn from drills→learn from poor performance” 铺垫后文 “试错学习” 与青少年足球 “专家指导” 的对比，构建核心逻辑链。

Paragraph B

However, there are lots of cities in the world today where conditions are such that street soccer is no longer possible. **Congested traffic now dominates where games were once played. Parks and open fields are used as hangouts for older teenagers with other interests. Add to this the requirement in many localities for official permits to use public spaces and the managed schedules that many young people have today, and spontaneous play of any kind is hard to imagine** (Q17).

段落翻译

然而，如今世界上许多城市的条件已不允许街头足球存在：**过去踢球的地方现在交通拥堵；公园和空地成了其他兴趣的年长青少年的聚集地；此外，许多地区使用公共空间需要官方许可，且现在年轻人的日程安排紧凑，任何自发的游戏都难以实现。**

出题人底层逻辑

1. 核心考点（Q17，段落信息匹配）：通过“congested traffic、parks used as hangouts、official-permits、managed schedules”列举“阻碍街头足球的城市变化”，对应题干“urban changes-that discourage street soccer”；
2. 以“转折（街头足球不可行）→ 具体城市变化”展开，用“add to this”串联多维度障碍，出题人侧重“变化的多样性（交通、场地用途、政策、日程）”，全面支撑“城市变化阻碍街头足球”的题干；
3. 用“spontaneous play is hard to imagine”总结结果，与前文街头足球“非正式、自发”的特征形成反差，强化“条件变化的影响”。

Paragraph C

In spite of all these obstacles, which are probably solvable in most instances, there is another-sociological explanation of why in many places street soccer doesn't enjoy the same popularity-it once did. In his book *How Soccer Explains the World*, US writer Franklin Foer observes: But-for all the talk of freedom, the 1960s parenting style had a far less relaxed side too. **Like the 19-60s consumer movement which brought seat belts and airbags to cars, the (youth) soccer-movement felt like it could create a set of ... regulations that would protect both the child's body and mind from damage** (Q15). Soccer leagues like the one I played in as a child **handed-out 'participation' prizes to every player, no matter how few games his (or her) team-won** (Q23). Where most of the world accepts the practice of using your head to hit the ball as an-essential element of the game, some (youth) soccer parents have worried over the potential for-injury to the brain. An entire industry grew up to manufacture protective headgear. Even though-very little medical evidence supports this fear, **some youth leagues prohibited heading the ball-altogether** (Q22).

段落翻译

尽管这些障碍在多数情况下或许可解决，但街头足球在许多地方不再像过去那样流行，还有另一社会学解释。美国作家富兰克林·福尔（Franklin Foer）在《足球如何解释世界》一书中指出：“尽管人们谈论自由，但60年代的育儿方式也有不那么-宽松的一面。**就像60年代消费运动为汽车配备安全带和安全气囊一样，青少年足球运动也试图制定一系列规则，保护儿童的身心免受伤害。**”我小时候参加的足球联赛，**无论球队赢了几场，都会给每个-球员发‘参与奖’**。世界上大多数地方都将头球视为足球的必备技能，但一些青少年足球家长担心头-球可能导致脑损伤，由此催生了生产防护头盔的完整产业。尽管几乎没有医学证据支持这种担忧，**一些青少年联赛仍完全禁止头球。**

出题人底层逻辑

1. 多考点集中段（Q15、Q22、Q23，信息匹配+多选）：

- Q15：通过“汽车安全带、安全气囊”举例“体育之外的安全重视”，对应题干“examples outside sport of safety emphasis”；
- Q22：通过“prohibited heading the ball”体现“青少年联赛规则更严格”，对应选项B；
- Q23：通过“handed out ‘participation’ prizes”体现“参赛即有奖”，对应选项D；

2. 以“社会学解释（60年代育儿风格）→跨领域例子→

青少年足球具体表现（奖项、禁头球）”展开，用“like”引出类比，出题人侧重“例子的跨领域属性”和“规则/奖励的具体表现”，分别支撑信息匹配和多选题；

3. 用“even though very little medical evidence”体现“过度保护”，为后文“街头足球培养韧性” - 铺垫对比。

Paragraph D

A growing body of people don't believe street soccer involves a legitimate educational method. They argue that children need to be taught by experts. Youth soccer instruction now begins with four-year-olds, so that they will have an advantage as six-year-olds. **This need to get ahead brings with it a fear of falling behind that only expert instruction can prevent. This type of instruction leaves no room for the trial-and-error approach of street soccer (Q19).**

段落翻译

越来越多的人认为街头足球并非合理的教育方式，他们主张儿童需要专家指导。青少年足球培训现在从4岁就开始，以便他们在6岁时具备优势。这种“要领先”的需求带来了“怕落后”的焦虑，而这种焦虑只有专家指导才能缓解。这种指导方式完全排除了街头足球的试错学习模式。

出题人底层逻辑

1. 核心考点（Q19，段落信息匹配）：通过“fear of falling behind that only expert instruction can prevent”解释“青少年足球强调教练的原因”，对应题干“why youth soccer emphasises coaches”；

2. 以“反对街头足球教育价值→青少年足球需专家指导→排除试错”展开，用“this need to get-ahead→fear of falling behind→only expert instruction”构建因果链，出题人侧重“因果逻辑”， - 直接支撑“强调教练的原因”；

3.

用“trial-and-error approach of street soccer”呼应前文A段“learn from poor performance”，- 强化两种足球模式的学习方式对比。

Paragraph E

One of the basic ideas of street soccer is that young players are assigned a particular role by a better player and are expected to play for the good of the team. **Such an assignment runs counter to the idea of youth soccer that every child needs to learn every position and will benefit from doing so** (Q14). In street soccer, you fill the role that you are best able to at a particular time. While this role assignment can change from game to game, the purpose is always the same: to get the best out of each individual at any given moment.

段落翻译

街头足球的核心理念之一是：水平较高的球员会给年轻球员分配特定角色，且要求他们为团队利益踢球。**这种角色分配与青少年足球的理念完全相反——青少年足球认为每个孩子都需要学习所有位置，- 并能从中获益。**在街头足球中，你只需在特定时刻扮演自己最擅长的角色。尽管角色可能每场变化，- 但目的始终不变：在任何时刻都让每个人发挥最大潜力。

出题人底层逻辑

1. 核心考点（Q14，段落信息匹配）：通过“街头足球分配特定角色 vs 青少年足球学习所有位置”对比- “球员获得不同位置经验的方式”，对应题干“contrast between ways to gain experience of different positions”；
2. 以“街头足球角色分配→与青少年足球对比→街头足球角色分配目的”展开，用“runs counter to-”明确对比关系，出题人侧重“位置经验获取方式的差异”，直接支撑题干；
3. 用“for the good of the team”“get the best out of each individual”体现街头足球的“实用性”- ，与青少年足球的“全面性”形成价值对比。

Paragraph F

In street soccer, children have to learn patience, to wait their turn, to realize that they are not-entitled to make decisions, or even be listened to simply because they show up. **Positions of responsibility are earned through competition within the team. Younger players in street-soccer must wait to attain those positions** (Q16). In youth soccer, however, with its overly-democratic values, youngsters are guaranteed their time in the spotlight. Whether it's their turn- to be captain, to play a central position or to take a crucial shot, youth soccer players come to- believe that hard work and patience aren't really necessary.

段落翻译

在街头足球中，孩子们必须学会耐心、等待机会，明白仅靠“到场”并不意味着有权做决定甚至被倾听。**团队中的责任职位（如队长）需通过队内竞争获得，年轻球员必须等待才能获得这些位置。**然而，青少年足球秉持过度民主的理念，确保每个孩子都有“高光时刻”——无论是轮到当队长、踢核心位置，还是主罚关键射门，青少年足球玩家会逐渐认为努力和耐心并非必需。

出题人底层逻辑

1. 核心考点（Q16，段落信息匹配）：通过“earned through competition、must wait to attain”描述“街头足球团队领导职位的选拔方式”，对应题干“methods of selection for leadership”；
2. 以“街头足球选拔方式→青少年足球对比”展开，用“however”强化差异，出题人侧重“街头足球选拔的‘竞争性’和‘延迟满足’”，与青少年足球的“保障性”形成对比，支撑题干；
3. 用“overly democratic values”“guaranteed their time in the spotlight”批判青少年足球的“过度保护”，为后文“缺乏韧性”铺垫。

Paragraph G

Not only does every youth soccer player get a chance, it is assumed that each individual has played well. **‘Everyone’ s a winner; no one’ s a loser’ is a guiding principle of youth-soccer. This ensures each individual goes away positive about themselves. No one can leave a game or a practice feeling bad** (Q24). But, if there really are no losers, then why try at all? Since **giving less than your best receives the same reward as giving your best**, why go to any extra effort (Q25)?

In street soccer, every game results in a winner and a loser and everyone knows who is who.- **Losing a game is a common experience and players learn early on how to handle this. As a result, unlike most youth soccer players, they acquire resilience** (Q18).

A further difference between these two strands of soccer is that in street soccer a formal record is not kept. You can lose one day and win the next. The results are only temporary and are forgotten within minutes of the end of the match. But in organized youth soccer, the position each person plays and the results are formally noted and maintained throughout a season (Q26).

段落翻译

青少年足球不仅让每个球员都有机会，还默认每个人都踢得很好。“**人人都是赢家，没人是输家**”是青少年足球的指导原则，这确保每个人离开时都对自己有积极评价，没人会在比赛或训练后感到沮丧 -

。但如果真的没有失败者，那何必努力呢？既然**全力以赴和敷衍了事得到的奖励相同**，又何必额外付出呢？

在街头足球中，每场比赛都有明确的输赢，且人人皆知。**输球是常有的事，球员很早就学会如何应对，因此他们比大多数青少年足球球员更有韧性。**

两种足球的另一区别是：街头足球不保留正式记录，今天输了明天可能赢，结果只是暂时的，比赛结束几分钟就被遗忘；而在有组织的青少年足球中，每个人的位置和比赛结果都会被正式记录，并贯穿整个赛季。

出题人底层逻辑

1. 多考点集中段（Q18、Q24、Q25、Q26，信息匹配+填空）：

- Q18：通过 “lose→ learn to handle→ acquire resilience” 体现 “失败教给街头足球球员的教训”，对应题干 “lesson that failure teaches” ；
- Q24：通过 “ ‘Everyone’ s a winner; no one’ s a loser’ is a guiding principle” 提取 “- principle” ，考查青少年足球的核心原则；
- Q25：通过 “same reward as giving your best” 提取 “reward” ，考查青少年足球的奖励机制；
- Q26：通过 “a formal record is not kept” 提取 “record” ，考查街头足球的结果记录情况；

2. 以 “青少年足球 ‘无输家’ 原则→ 批判（无需努力）→ 街头足球输赢分明→ 记录差异” 展开，用 “but” “however” 强化对比，出题人侧重 “原则、奖励、记录” 三个核心细节，既支撑信息匹配，又为填空题提供答案；

3. 结尾 “record difference” 补充两种足球的另一差异，完善 “对比” 主题，与开篇A段形成 “特征对比→ 原因→ 结果” 的完整逻辑闭环。

二、逐题解析版（完整题干 + 答案红色加粗 + 中文解析 + English Explanation）

Questions 14–19（段落信息匹配）

题干共性说明

Reading Passage 2 has seven sections, A–G. Which section contains the following information? Write the correct letter, A–G, to boxes 14–19 on your answer sheet.

14. a contrast between the ways young players gain experience of playing different positions

- **完整题干：**对比年轻球员获得不同位置比赛经验的方式
- **答案：** E
- **中文解析：** 根据Paragraph E，街头足球的方式是“年轻球员被分配特定角色（assigned a particular role）”，而青少年足球的方式是“每个孩子需要学习所有位置（every child needs to learn every-position）”，通过“runs counter to”明确对比两种“获得不同位置经验的方式”，与题干完全对应，故答案为E。
- **English Explanation：** Paragraph E contrasts street soccer (young players get specific roles) and youth soccer (children learn all positions) in terms of gaining position experience. This matches the题干, so the answer is E.

15. examples outside sport of greater emphasis on individual safety

- **完整题干：** 体育领域之外，更重视个人安全的例子
- **答案：** C
- **中文解析：** 根据Paragraph C，作者用“60年代消费运动为汽车配备安全带和安全气囊（the 1960s-consumer movement which brought seat belts and airbags to cars）”作为例子，这是体育（足球）之外的领域，且体现“重视安全”，与题干对应，故答案为C。
- **English Explanation：** Paragraph C uses "seat belts and airbags in cars" (outside sport) as an example of increased safety emphasis. This matches the题干, so the answer is C.

16. a description of methods of selection for leadership on soccer-teams

- **完整题干：** 描述足球队中领导职位的选拔方式
- **答案：** F
- **中文解析：** 根据Paragraph F，街头足球中“团队责任职位（如队长）需通过队内竞争获得，年轻球员必须等待（Positions of responsibility are earned through competition... Younger players must wait）”，明确描述了“领导职位的选拔方式（竞争+等待）”，与题干对应，故答案为F。
- **English Explanation：** Paragraph F describes street soccer's leadership selection: "positions are earned through competition and younger players wait". This matches the题干, so the answer is F.

17. details of urban changes that discourage street soccer

- **完整题干：**阻碍街头足球的城市变化细节
- **答案：** B
- **中文解析：** 根据Paragraph B，城市变化包括“交通拥堵（congested traffic）、公园成青少年聚集地（parks used as hangouts）、使用公共空间需许可（official permits）、年轻人日程紧凑（-managed schedules）”，这些细节均“阻碍街头足球”，与题干对应，故答案为B。
- **English Explanation：** Paragraph B lists urban changes (congested traffic, park use, permits, -busy schedules) that stop street soccer. This matches the题干, so the answer is B.

18. a mention of the lesson that failure teaches street soccer players

- **完整题干：**提及失败教给街头足球球员的教训
- **答案：** G
- **中文解析：** 根据Paragraph G，“街头足球球员常经历输球，很早就学会应对，因此获得韧性（-Losing a game is common... learn to handle this... acquire resilience）”，“韧性（resilience）-”是失败教给他们的教训，与题干对应，故答案为G。
- **English Explanation：** Paragraph G states street soccer players learn "resilience" from handling-failure (losing games). This matches the题干, so the answer is G.

19. an explanation of why youth soccer emphasises the need for-coaches

- **完整题干：**解释为何青少年足球强调需要教练
- **答案：** D
- **中文解析：** 根据Paragraph D，“青少年足球需专家指导的原因是：人们认为儿童需要专家教（need-to be taught by experts），且‘怕落后’的焦虑只有专家指导能缓解（fear of falling behind that-only expert instruction can prevent）”，明确解释“强调教练（专家）的原因”，与题干对应，故-答案为D。
- **English Explanation：** Paragraph D explains youth soccer needs coaches (experts) to address "-fear of falling behind" and teach children properly. This matches the题干, so the answer is D.

Questions 20–21（多选题）

题干共性说明

Choose TWO letters, A–E. Write the correct letters in boxes 20 and 21 on your answer sheet. The list below gives some possible reasons for the popularity of street soccer. Which TWO of these reasons are mentioned by the writer of the text?

List of Options
A Many famous soccer players got their start in street soccer.
B Young people can begin playing street soccer at a very early age.
C You do not need elaborate facilities to play street-soccer.
D Inexperienced street soccer players are not criticised for mistakes.
E Street soccer teams can have varying numbers of players.

20.

- 答案：C
- 中文解析：根据Paragraph A，“街头足球无需大场地，正式比赛的球门柱、标线等通常都没有（no large space is needed, and goal posts, marked lines... are typically absent）”，“无需复杂设施（elaborate facilities）”是街头足球流行的原因之一，与选项C完全对应，故答案为C。
- English Explanation：Paragraph A mentions street soccer's popularity reason: "no large space or formal facilities (goal posts, lines)". This matches Option C, so the answer is C.

21.

- 答案：E
- 中文解析：根据Paragraph A，“街头足球不一定需要标准的11人制球队（does not necessarily require standard 11-a-side teams）”，即“球队人数可变（varying numbers of players）”，这是其流行的原因之一，与选项E对应，故答案为E。
- English Explanation：Paragraph A states street soccer "doesn't need standard 11-a-side teams", meaning varying player numbers. This matches Option E, so the answer is E.

Questions 22–23（多选题）

题干共性说明

Choose TWO letters, A–E. Write the correct letters in boxes 22 and 23 on your answer sheet. The list below gives some possible results of the 1960s parenting style. Which TWO of these results are mentioned by Franklin Foer in the excerpt from How Soccer Explains the World?

List of Options
A Participation in youth soccer became much more expensive.
B Some youth soccer leagues adopted more restrictive rules of play.
C Fewer young people joined youth soccer teams.
D Youth soccer players were sometimes rewarded for simply playing in games.
E Soccer equipment manufacturers directed advertising towards parents.

22.

- 答案: B
- 中文解析: 根据Paragraph C, 富兰克林·福尔提到“一些青少年联赛完全禁止头球 (some youth leagues prohibited heading the ball altogether)”, “禁止头球”属于“更严格的比赛规则 (more restrictive rules)”, 是60年代育儿风格(过度保护)的结果, 与选项B对应, 故答案为B。
- English Explanation: Franklin Foer notes "some youth leagues prohibited heading", a more-restrictive rule, as a result of 1960s parenting. This matches Option B, so the answer is B.

23.

- 答案: D
- 中文解析: 根据Paragraph C, 富兰克林·福尔提到“青少年足球联赛给每个球员发‘参与奖’, 无论球队赢几场 (handed out ‘participation’ prizes to every player, no matter how few games-won)”, “参与奖”即“仅因参赛而获奖 (rewarded for simply playing)”, 是60年代育儿风格的结果, 与选项D对应, 故答案为D。
- English Explanation: Franklin Foer mentions "participation prizes for every player", meaning-rewards for just playing. This matches Option D, so the answer is D.

Questions 24–26 (摘要填空)

题干共性说明

Complete the summary below. Choose ONE WORD ONLY from the passage for each answer. Write your answers in boxes 24–26 on your answer sheet.

Winners and losers
For youth soccer players, a key 24 _____ is that they should always come away from the game with a positive attitude. In this respect, regardless of the effort the players make, they get some kind of 25 _____ at the end of a game. In street soccer, however, players gain resilience because they have to learn to cope with failure. But the outcome of a match isn't remembered for long. In fact, no-one ever keeps a 26 _____ of the results of games.

24.

- 答案: principle
- 中文解析: 根据Paragraph G, “‘人人都是赢家, 没人是输家’是青少年足球的指导原则(‘Everyone’s a winner; no one’s a loser’ is a guiding principle of youth soccer)”, “指导原则(principle)”确保球员“带着积极态度离开”, 与题干“a key _____”对应, 提取“-principle”, 符合“ONE WORD ONLY”要求。
- English Explanation: According to Paragraph G, "a guiding principle of youth soccer" ensures positive attitudes. The question's "a key _____" matches "guiding principle", so the answer is principle.

25.

- 答案: reward
- 中文解析: 根据Paragraph G, “全力以赴和敷衍了事得到的奖励相同(giving less than your best receives the same reward as giving your best)”, “奖励(reward)”与题干“get some kind of _____”对应, 提取“reward”, 符合要求。
- English Explanation: According to Paragraph G, youth soccer players get the same "reward" regardless of effort. The question's "get some kind of _____" matches "reward", so the answer is reward.

26.

- 答案: record
- 中文解析: 根据Paragraph G, “街头足球不保留正式记录(in street soccer a formal record is not kept)”, “记录(record)”与题干“keeps a _____ of the results”对应, 提取“record”, 符合要求。
- English Explanation: According to Paragraph G, "a formal record is not kept" for street soccer results. The question's "keeps a _____ of the results" matches "record", so the answer is record.
