Sarah: Sure, it's Sarah Jenkins.

Peter: Ok, Sarah, and your address?

Sarah: That's Shreveport Street.

Peter: Can you spell that for me?

Sarah: Absolutely! That's (1) **s-h-r-e-v-e-p-o-r-t** Street.

Peter: Let me just type that in... Thank you! And the account number... let me see... Got it! I see your previous order history here. I think it's (2) **forty, twenty, eleven, three**. And what can we get for you today?

Sarah: Great! Well, I saw on the website that you've got some special offers on this month?

Peter: We certainly do! Our (3) **October** promotion is running right now. Quite a few items included.

Sarah: Fantastic. And I remember seeing a discount code... I think it was (4) **P-V-T-W**?

Sarah: My husband and I are going sailing next month – finally! – and I need something proper, you know, with decent grip and toe protection. I saw the shoes were on offer.

Peter: Ah, yes, the (5) **boat** shoes. Very popular for sailing, good grip and toe protection. Perfect footwear for your sailing adventures or lazy days at the beach!

Sarah: Yeah, we'll definitely be spending a lot of time by the sea this time, so I think these would be perfect!

Peter: Excellent choice. Let me confirm the details. What material were you after?

Sarah: Oh yes, I think suede might get ruined too quickly.

Peter: Good point, the (6) **leather** is much more durable and breathable for that environment. And colour? We have navy, tan, brown, and...

Sarah: Oh, I love (7) **purple**, please. Why not add a bit of colour to the boat?

Peter: Got it. Anything else today, Sarah?

Sarah: Actually, yes! I also saw a lovely striped dress on your website. The casual one? Could I add that too?

Peter: Absolutely. The Breton stripe dress? Lovely piece. What size were you thinking?

Sarah: Hmm, I usually take size small, but since these are for travel, I'd like a more relaxed fit. I'll go with (8) **medium**.

Peter: Okay, let me just calculate the total with the discount... that comes to... \$112.50.

Sarah: Oh, lovely! That's more than I expected to save.

Peter: Great! And because your total is over \$100, Sarah, you qualify for a free gift! We have a choice: a branded water bottle, or a monthly adventure (9) **magazine**.

Sarah: Oh, I have got some lovely water bottles, I'll take the latter!

Peter: Excellent choice. It has some great articles this month. Now, just need to confirm delivery.

Sarah: Perfect.

Peter: And delivery options... we have Express for \$10 extra, gets it there in 2 days, we also supply free delivery, takes about 5 to 7 working days.

Sarah: Oh, no rush at all. (10) **Regular** is absolutely fine, thanks..

Peter: Okay, so I've put that down. No express.

Sarah: Thanks so much for your help, Peter.

Peter: My pleasure, Sarah. The order is all processed. You should get a confirmation email shortly. Enjoy your trip!

Sarah: Thanks! I'm sure I will. Bye!

Now listen carefully and answer questions 1 to 5.

Staff: Good morning, City Restaurant. How can I help you?

Customer: Hi, I'd like to book one of your function rooms for a party.

Staff: Certainly. May I ask how many guests you're expecting?

Customer: Hmm, I'm not entirely sure yet, but probably around 60 people.

Staff: Great, that would require a large room. When would you like to host the event?

Customer: It's for my daughter's 21st birthday. Her actual birthday is Friday, the 17th of

November, but we'd like the party on Saturday the 18th.

Staff: Understood. What time would you like the party to start?

Customer: Let's say (1) **7:45** pm? We don't want it too late.

Staff: And when do you expect guests to leave? Around 11 pm?

Customer: Yes, that's perfect.

Staff: No problem—we're open until 11:30 pm. Now, let's discuss the menu. Would you prefer a formal served dinner?

Customer: Yes, not a buffet.

Staff: We offer three menu options. Our Standard Menu is £25 per person.

Customer: Right.

Staff: The popular (2) **Celebration** Menu is a three-course meal at £35 per person.

Customer: That sounds ideal.

Staff: There's also the Gold Menu with five courses for £50.

Customer: Oh, that's too expensive. We'll stick with the second one.

Staff: Of course. Do any guests don't eat meat?

Customer: Yes, please ensure every course has a (3) **vegetarian** alternative.

Staff: Absolutely. Any food allergies we should be aware of? Shellfish, for example?

Customer: One guest is allergic to (4) **strawberries**—even contact could be dangerous.

Staff: Noted. We'll avoid them entirely. Any dessert preferences?

Customer: Some variety would be nice. Could you also include (5) **cheese**?

Staff: Certainly.

Before you hear the rest of the conversation, you have some time to look at questions 6 to 10. Now listen and answer questions 6 to 10.

Staff: Would you like entertainment after dinner? We offer live bands.

Customer: Actually, could we book a (6) **disco** instead?

Staff: Of course.

Customer: I heard that you could arrange firework show, right?

Staff: Unfortunately, we no longer provide fireworks due to costs.

Customer: Ah, what a pity.

Staff: Your menu package includes room decorations. Balloons in silver or gold...

Customer: Oh! Great! My daughter loves pink. But she prefers fresh (7) **flowers**.

Staff: Got it. We can also prepare a birthday cake. What message would you like?

Customer: Just " (8) **Congratulations** Susie", that's her name, on the cake.

Staff: Sure!

Customer: Oh, one more thing – a couple of guests are arriving by train, but the last train leaves quite early. After the party, they'll need a (9) **taxi** to the Forest Hotel. Can you arrange that?

Staff: Absolutely, no problem at all. Is there anything else?

Customer: Not for now, thank you.

Staff: Perfect. Feel free to contact us if you have further requests.

Customer: Actually, could I take down your contact details? Your name and phone number, please?

Staff: Of course. I'm Maria Nelson, and my number is (10) **07749132760**.

Customer: Got that. Looking forward to the event!

Part1

Part 1, you will hear a conversation between a man and woman, the man is enquiring about art classes. First you have some time to look at questions 1 to 5.

Now listen carefully and answer questions 1 to 5.

Woman: Good morning, Garden Arts Centre. Anneka speaking. How may I help you?

Man: Oh hello! I'm calling about your art courses. I saw on your website that you offer painting classes for all ages.

Woman: Absolutely! We've got several options. Are you looking for something specific?

Man: Well, I am interested in (1) oil painting. Could you tell me when that runs?

Woman: Ah, that class is currently scheduled for Tuesdays and Wednesdays, starting from 9:30 in the morning. Does that suit you?

Man: Oh dear, I've got work commitments then. That timing doesn't work at all. Well, do you have other painting classes?

Woman: Of course! Our watercolour program has flexible slots — Mondays or Fridays at 6 PM. People tend to have more time after working hours, so most people choose watercolour classes.

Man: Perfect! I'll take Fridays. What should I bring along? Do you provide materials?

Woman: Yes, we supply basic paper and paints, but we always remind students to take their own (2) brushes here, you know, for hygiene and personal preference. Even inexpensive ones work better than shared tools. Hope you understand.

Man: Good to know. And my son might be interested too. Do you offer music lessons for children? He's keen to learn an instrument. Like piano?

Woman: Wonderful! We offered piano lessons for children above 10 until last year, because nowadays they are not as popular as they were before. So, our music studio currently teaches both guitar and (3) violin. Beginners are welcome. Shall I email you the brochure?

Man: Yes please! Wait, do you have lessons for teenagers? My daughter is turning 14, and I guess she is into arts. Because she is always talking about being an artist in the future.

Woman: Oh, fantastic. For students aged from 12 to 16, our (4) photography course is popular! As well as experiment with their camera, trying to figure out how to shoot the ideal photo, they also learn knowledge from various subjects, like the history of the photography, the physics and chemistry behind the formation of the photograph, things like that.

Man: Brilliant! Now, about costs. How much are these sessions?

Woman: All group classes are (5) fifteen fifty pounds per lesson. Private tuition costs extra, about eighty pounds per lesson, it's one on one.

Man: Reasonable.

Before you hear the rest of the talk, you have some time to look at questions 6 to 10.

Now listen and answer questions 6 to 10.

Man: Oh, before I forgot, what about parking? Where can I leave my car?

Woman: There's limited space behind our building, but it's not guaranteed. Most students use the car park on (6) Eagle Street – you know, like the bird. And most of the time, there is plenty parking available, so I won't be worried about that.

Man: Got it. Do you have refreshments onsite? I presume I would be starving after class.

Woman: Our downstairs café serves proper lunches till (7) 3.00PM, plus coffee all day. Oh, don't forget to try their (8) cakes, they are homemade by the chef daily!

Man: Lovely! If I have more questions later, who should I ask for?

Woman: Oh, sorry, I forgot. You can find me. (9) Anneka - A-N-N-E-K-A – I'm the deputy director here, you know, one of the managers. Alternatively, our general enquiries line is (10) 0137 5996248.

Man: You've been incredibly helpful, Anneka. I'll sign up online tonight!

Woman: Delighted to assist! We'll send confirmation within 24 hours.

Man: Cheers! Goodbye.

Woman: Goodbye and thank you for calling.
