PART 3 Questions 21-30

Questions 21 to 24

Choose the correct letter, **A**, **B** or **C**.

Case study on one pupil's learning strategies

- 21** What criterion do Katrina and her tutor agree on for choosing the focus student?
- A** his general level of intelligence
 - B** his hard work and commitment
 - C** his willingness to take part in research
- 22** Katrina's main worry at this stage is that
- A** she won't find enough data for the project.
 - B** she won't get enough help from the teacher.
 - C** she can't decide which information is more relevant to her research.
- 23** What is Katrina's most exciting aspect in the project?
- A** working independently
 - B** chance to try new technology
 - C** findings from study
- 24** The tutor tells Katrina when can come for consultation
- A** contact him without appointment
 - B** give him five days' notice
 - C** keep to the designated week

Questions 25 – 30

Match each stage to its advice.

Choose **SIX** answers from the box and write the correct letter, **A-H**, next to questions 25-30.

Advice	
A	ask her classmate to help rehearse
B	don't need to do if time is not enough
C	give more focused suggestion
D	adopt flexible approach
E	reduce the content and points
F	observe in different subject classes
G	use timetables strictly
H	track progress with study apps

Different Stages

- | | | |
|----|--|-------|
| 25 | observe the student's classroom performance | _____ |
| 26 | conduct interview with student | _____ |
| 27 | use think-aloud procedures | _____ |
| 28 | review the student's grades from all courses | _____ |
| 29 | interview the student's teachers | _____ |
| 30 | analyze the personality profile | _____ |
